

Expect Large Entry At The Didsbury Fair

Final plans have been completed for the Forty-Second Annual Exhibition of the Didsbury Agricultural Society, which will be held at the Fair Grounds at the Butte next Wednesday, July 16th.

A full afternoon of sports has been arranged for young and old, and with indications that there will be a large entry in all classes of the Exhibition this year, there will be plenty to see and occupy the time of all who attend.

According to the secretary, C.E. Reiber, entries are now coming in fairly steady and in number should surpass those of last year. Those who have not yet completed their entry forms are urged to do so immediately. Entries close Saturday, July 12, but should be in before that day if at all possible.

The vegetable, fancy work, home cooking and other small exhibits will again be shown in the Didsbury Curling rink this year, due to lack of accommodation at the fair grounds, but livestock, chickens, etc. will be accommodated at the grounds. All exhibits should be in place not later than 10:00 o'clock the morning of the Fair, so that the judges can complete the selection of prize winners before the exhibits are open to the public.

Plan to attend the Didsbury Exhibition and Sports next Wednesday. Come and see what the results of this district are capable of producing. You won't be disappointed in the quality of the exhibits and the display should be profitable as well as enlightening.

E.V. UNITED BRETHREN CHURCH CAMP JULY 15 - 20

The tenth annual Alberta Camp of the Evangelical United Brethren Church will be held at the camp grounds on the Little Red Deer river 20 miles west of Didsbury from July 15 to 20, and Rev. A.J. Grams of Didsbury, general manager of the camp, has announced a full six-day program destined to provide training, inspiration and fellowship.

Programs have been printed and anyone interested can get further information from Rev. Grams.

DIDSBURY CURLERS WIN AT NELSON BONSPIEL

The Irvin Klein rink, skipped by Dave Edwards, with Harvey Gilrie and Ivan Weber, succeeded in getting into the finals of the Rosebud event at the Nelson, B.C. summer bonspiel, held on Saturday night. They played eleven games and won leather jackets. Ivan played the first rock of the 'spiel and Dave Edwards played the last rock Saturday night to complete another successful summer curling event at Nelson.

The ladies, who accompanied their husbands, did not get an opportunity to curl, but they were entertained by Nelson lady curlers, and all report an enjoyable trip, returning to Didsbury Monday night.

DIDSBURY HOSPITAL BIRTHS

Born to Mr. and Mrs. C. Brown on Tuesday, July 1st, a boy.

Born to Mr. and Mrs. Neil Neufeld on Saturday, July 5, a girl.

OLDS LIVESTOCK BREEDING CLUB TO GIVE SPECIAL PRIZE

The Olds Livestock Breeding Club has added a special class to the Didsbury Exhibition which is being held at the fair grounds on July 16th. The class will be listed as Artificially Bred Holstein Dairy Heifer Calves Under 1 Year Old, and a total of \$10 in prize money will be awarded. This will be divided into a first prize of \$5, second of \$3 and third of \$2.

The winners of the above class from each of the Bowden, Olds and Didsbury Fairs will later compete for a silver trophy, which is being donated. This will be an annual trophy and will be put up for competition every year.

DIDSBURY FLOAT WINS THIRD PRIZE IN CALGARY PARADE

The Didsbury float entered in the Calgary Stampede Parade on Monday won third prize in current classification class and received the sum of \$50 as a prize, which will help to defray expenses.

The float was constructed on a four-wheeled rubber tired trailer, pulled by a tractor, and depicted the mixed farming area around Didsbury.

We understand that the float will be on display at the Didsbury Exhibition next Wednesday, July 16.

RED CROSS TO OPERATE BOOTH AT DIDSBURY FAIR

The Didsbury Agricultural Society has kindly consented to give the concession to the Red Cross Society for a refreshment booth at the fair grounds next Wednesday, July 16th, when ice cream, soft drinks, fresh fruit, etc. will be dispensed.

The entire proceeds from the booth will be given to the Red Cross Crippled Children's Hospital, to be built in Calgary.

An architect's drawing of the proposed new hospital building has been obtained by Mr. W. Austin and will be on display in the curling rink, along with the other exhibits on fair day.

FULKERTH KENTUCKYS WIN AT LETHBRIDGE FAIR

Once again Didsbury and district has just cause to be proud of the training ability and showmanship of the Fulkert family.

Kalamazoo Playboys and Playgirls, owned by Walter Fulkert, swept the field of prizes at the Lethbridge Light Horse Show held July 3-5. Kalamazoo Playboys won first in three classes, the Canadian-owned three-gaited class, the \$200 open three-gaited class, and the combination three-gaited class, shown under harness and saddle. He also won the trophy awarded for this class.

Ridden by Mrs. Walter Fulkert, Playboys placed second in the ladies open three-gaited class.

Playgirl, ridden by Delbert Fulkert, placed first in the three-gaited class for 15 hands and under. Delbert was awarded first in the class for best boy or girl rider under 16 years of age and received the Seddon trophy for this event.

Ridden by Dr. Fowler of Lethbridge, and showing Rosetta Stone, Walter Fulkert won the Canadian-owned five-gaited class, the \$200 open five-gaited stake, and the combination five-gaited class. The same mare, ridden by Mrs. W. Fulkert, won the ladies five-gaited class, and Mrs. Fulkert received a bronze trophy donated by Dr. Fowler.

Delbert was also awarded a "Bronze" trophy for special achievement.

In the July 3 issue of the Lethbridge Herald appears a photo of Delbert Fulkert, 12-year-old son of Mr. and Mrs. Walter Fulkert, and his horse "Play Girl."

M.B.C. CAMP MEETING COMMENCES THURSDAY

The annual Camp Meeting of the M.B.C. Church will be held in Didsbury from July 10-20, when Rev. O.P. Eastman, Evangelist from Detroit, Mich., Rev. R.E. Burk, Young People's worker from East Jordan, Mich., and Prof. W.R. Hallman, song leader from Portland, Ore., will be special guests.

The Mountain View Gospelairs and the Mountain View Moslems will provide special music and singing, and Miss Myrtle Anderson of Nigeria, Africa, will be one of the special speakers.

Services will be held daily, morning, afternoon and evening, and special daily services will be held for the young people and the children.

Rev. A. Frey, district superintendent, will be in charge of the camp, and further information can be obtained from Rev. D.C. Ely, Didsbury.

Mr. and Mrs. C. C. Alden and family left Tuesday on a holiday trip and will motor via the States to Vancouver.

RUGBY W.I. GETS THANKS LETTER FROM HOLLAND

With an attendance of 10, the July meeting of the W.I. was held at the home of Mrs. Scott. Owing to the change in meeting place this month, several little matters had to be re-adjusted, and next month we are looking forward with much pleasure to a visit from all the members of our neighboring W.I. Let's hope the weather man shows a smiling face.

A very grateful letter of thanks has been received from a needy person in Holland to whom we sent a layette some time ago.

One of our members is being sent to the I.W.W. at the Olds School of Agriculture on July 21st. Mrs. Scott gave us a good report on the recent conference in Didsbury.

Next month's meeting will be held at the home of the secretary, and please try to come.

SPECIAL WALTHER LEAGUE MEETING ON JULY 15

The Walther Leaguers of Redemer met last Tuesday, July 1, at the home of Mr. and Mrs. A. Toller for their regular meeting. Since it was such a beautiful evening, the first hour was devoted to a number of outdoor games which were enjoyed very much by the 24 Leaguers present.

The topic discussion, led by the Pastor, was entitled "The Church and its Furnishings." This brought forth considerable discussion.

It was decided to hold the next meeting at the church in Didsbury on July 15. This is to be a special meeting to which all the members of the congregation and also the general public will be invited. This meeting will begin at 8 p.m. It was further decided to hold a Walther League outing sometime in August. The committee in charge is composed of Miss Erna Reinhardt, Miss Alvina Jans, Miss Marian Koi-schuh, Mr. Erhard Reinhardt and Mr. Ken Esler.

The lunch, served by Mrs. Toller, was preceded by a gayly decorated birthday cake, in honor of Miss Rose Tobler, whose birthday it happened to be. The group rose and sang the customary birthday song for Rose. After the lunch the meeting was concluded with all Leaguers going home looking forward to the next meeting.

M.D. To Spend \$16,000 On The Cremona Road

At the regular meeting of the Council of the Municipal District of Mountain View, held in Didsbury on Saturday, July 5, a communication from the Department of Public Works advised that an additional \$8,000 grant had been authorized for the Cremona road. This additional grant will bring total expenditures in 1947 to \$16,000 on this road.

Councillor H. Roeder was appointed a committee of one to supervise construction of the Cremona road and the latest report is that approximately three miles of grading has now been done. It is hoped to complete eight miles of road this year, including gravel.

A complaint was made by the Council against a local resident dumping refuse along a public road and the secretary was instructed to get in touch with the party responsible, and have rubbish removed, immediately or prosecution would be instituted.

Approval was given to five old age pension applications, and a pound sale of two black horses was reported.

Council approved the establishing of one new business at Westward Ho, and the secretary was instructed to file a protest against two other applications to establish businesses in the municipality.

Application was received for graveling of a road north of Crossfield on a three-way basis and the Council will be forwarded to the Department of Public Works for approval.

A change was reported in the personnel of the Agricultural Service Board, and the new members are Councillors F.J. Niddie, chairman,

"FLYING SAUCERS" SEEN WEST OF DIDSBURY

A radio report Monday stated that "Flying Saucers" had been seen in many parts of Canada. Just what type of plane this is, if it is a plane—nobody seems to know—or where it comes from, but around noon on June 30, Mr. A. McNaughton, who lives 5 1/2 miles west of town, saw two of these strange objects which he described as being white, made no noise and appeared to be flying quite high, going against the wind.

SCOUTS ENJOY TWO DAY CAMP ON LITTLE RED

19 members of the Didsbury Boy Scout Troop, in charge of Scoutmaster Bob Mortimer, assisted by Mr. Chas. Mortimer, left Saturday morning in Gus Bittner's and Joe Freeman's trucks for the Davies swimming hole on the Little Red Deer river, where they spent an enjoyable two-day camp.

The camp consisted of five tents and a lean-to shelter constructed of spruce boughs and birch saplings. Meals were prepared over three outdoor fireplaces erected by the boys.

The feature attraction was the fine swimming right at the camp, and games, hikes and fishing were enjoyed by the boys.

Scouts attending the camp were Don McArthur, Jack Freeman, Ian Roberts, George Goossen, Bruce Freeman, Ken Morris, Barney Barrett, Clive Johnson, Robert Hipkin, Cameron Wordie, Conrad Platz, Kenny Hunsperger, Wayne Miller, Ronnie Morris, Allan Freeman, Don Cassidy, Bob Dick, Don Bateman and Bob Hall. Ten other members of the Troop were unable to go on the hike, much against their wishes.

The boys packed up their kits after dinner and had a good swim before the trucks arrived at 4 p.m. to take them home.

Two weeks previous to the hike Don McArthur, Jack Freeman, Ian Roberts, Ken Morris, Bruce Freeman and Ken Sprule were invested as Boy Scouts after having satisfactorily passed their Tenderfoot test. The ceremony included the investment of Trev Evans and John Worthington as Assistant Scoutmasters and Bob Mortimer as Scoutmaster by Scoutmaster Jack Robertson of the First Westcott Troop.

Reeve Chas. Fox, Mr. Frank Laut;

Mr. R.C. Sheehan and Mr. Hugh McPhail, district agriculturist.

Council passed a vote of thanks to Councillor Trimble, who has tendered his resignation, and expressed regret in losing the valuable services which he had rendered as Councillor since the large unit was formed. Mr. Trimble was first elected a councillor of the old Municipal District of Mountain View in 1926. After serving for two years he retired from the Council and was re-elected again in 1934, and served continuously as Councillor until the large municipal district was formed in 1944, when he was elected in Division 7, and he has served faithfully up to the time of his retirement.

MARRIED MEN DEFEAT ROSEBUD BY 4-0 SCORE

The married men of Didsbury and district showed that they still have the vim, vigor and vitality to play hard ball. They trounced the Rosebuds by a 4-0 score in a game that was as exciting for the spectators to watch as it was for the players on the diamond.

The only runs were brought in by Shire, Brinton, Scott and McCullough.

Lineup of teams: Married Men—H. Shire, P. Brinton, Chub Scott, G. Fulkert, H. McCullough, T. Fox, D. Wilson and G. Wilkins.

Rosebud—C. Hogg, Snyder, M. Snyder, Fulkert, Archer, Persinger, A. Pratt, H. Pratt and H. Morach.

Beef Calf Club Sale At Carstairs A Successful Event

Michael Boyce, 12 year old son of Archie Boyce of Olds, won the Grand Champion prize at the Junior Exhibition and Sale of calves at Carstairs on June 30. His calf was a smooth Hereford steer weighing 931 pounds and was sold to T. Eaton Co., Calgary for \$55 a pound, bringing a total of \$512.05. This calf was purchased from Walter Schellkopf of Olds.

Reserve Champion was won by Billie Francis of Carstairs, son of Hugh Francis, president of the Alberta Hereford Breeders' Association. Billie's Hereford steer weighed 776 pounds and was sold to Safeway's for 37 1/2 cents a pound, bringing \$294.75. It was raised by Hugh Francis.

Total receipts of the sale were \$18,534.47, which made an average for the 124 calves of \$148.66. Off-cuts and juniors were well pleased with the results. The few low-priced animals which brought the average down were either not finished or were of poor quality.

Archie Boyce was assisted in the ring by John Riddell, and Tom

SI ARMSTRONG SHOWS THE BOYS HOW IT'S DONE

Owing to many on holidays there were only ten shotgun experts out to the second regular shoot of the Didsbury Gun Club last Tuesday night and Si Armstrong was high man for the evening when he broke 18 out of 25 clay shot. Russell Ady and George McDonald were close behind with 18 each, while A.G. Studer and S. Thompson tied for third place with 15.

Following are the scores for the evening's shoot:

Armstrong 19, Ady 18, McDonald 18, Studer 15, Thompson 15, L. Shells 13, Prevost 11, W. McCoy 11, Ken McCoy 10, V. Wrigglesworth 10.

Regular shoots will be held every Tuesday night until ammunition and clay pigeons have been used up.

BERGEN NEWS NOTES

Mr. and Mrs. John Frost were on our streets Sunday. They formerly lived at Harman, but now reside in Sundre.

Percy Richardson, a former resident of Bergen, is visiting the Lyle family.

Edna Noad (nee Admussen) has a son, born recently. They were visiting F. Admussen on Sunday.

Rev. Herb Robinson and family are moving to Manitoba next week.

Ed Clarke has fenced the west half of the north west quarter of section 31-13-5.

The Baughmans boys are saving lumber for Fred Tomlinson on the old Vicker place.

"Bobbie" Tees is visiting his uncle, Leonard Meckelborg, for a few days.

The Senior Meckelborgs are attending Camp Meeting at Sylvan Lake.

Sigard Sande has sold his home north of Bergen and moved on to one of his other farms.

The Sundre Creamery burned down on Friday evening. The loss will be felt by the cream shippers.

The Bergen M.B.C. Sunday school held a picnic at Mr. Batelle's place near the Big Red Deer river. It is estimated that nearly one hundred people were there to enjoy the hospitality of the Ratliffes, and the bountiful luncheon held under the trees. The children's races and the ice cream added to the day's enjoyment.

CRYSTAL DAIRY WINS BUTTER PRIZE AT BRANDON FAIR

The Crystal Dairy, Didsbury, was informed last Friday that it had won a first prize for butter, 14-lb. solid pack, at the Brandon Exhibition. This reflects on the quality of milk and cream produced in the Didsbury district, which has always produced a very high standard of milk and cream. Mr. Gordon Sherrier, the buttermaker, is to be congratulated on his fine work.

There are about 500 annual fairs in Canada.

Dench of Carstairs, D.V. Gilmour, manager of the Bank of Montreal at Carstairs, was in charge of the clerks and D.E. Wheatcroft of Calgary was brand inspector. Buyers included P. Burns and Co., Safeway's, T. Eaton Co., Carstairs Lock-er, Katchen Bros., Swift Canadian Co. and Union Packing Co.

Hugh McPhail, Olds, supervised the West Didsbury, Carstairs, Eagle Hill, Madden and Olds clubs, while Fred N. Miller of Drumheller supervised the Avondale club from Granger.

W.H.T. Mead of the Livestock Branch placed the calves. Ed Noad of Olds and Roy Bond of Irricana grouped the fifty Hereford calves for the special awards given by the Alberta Hereford Breeders' Association. George Black and Fred N. Bell awarded the prizes in showman ship.

As the calves were being selected from each club, the best showman was chosen to represent his club in the finals. Archie Boyce donated show halters to each of the winners. The Grand Champion showman was Donald Robertson of Didsbury, and the Reserve Champion prize was won by Daunavan Buyer of the Avondale club.

Freddie Fleck of Carstairs won the first prize for his Shorthorn steer, and Ray Howe of the Avondale club took first prize for Aberdeen Angus.

The silver cup awarded by the Carstairs Board of Trade was won by Michael Boyce, while their shield was won by Billie Francis. The Hereford Breeders donated \$100 in money and shields for the five best Herefords.

Frank Collicutt, who was present, donated \$25 to be divided among the three top awards.

The calf raffled by the Carstairs Board of Trade for the Memorial Skating rink was won by Jim Eide of Carstairs, who put it up for auction again. It was then bought by the Union Packing Co., who turned it back, and then by Adams, Wood and Wellier, who also turned it back. It was finally knocked down to the Union Packing Co., bringing a total of \$651 for the skating rink.

The 25 top calves brought \$4,500, an average of 18 cents a pound.

SINGLE MEN DEFEAT MARRIED MEN IN HIGH SCORING GAME

Sunday afternoon was an exciting and pleasant afternoon at the home of A. Morach when a team of single men took on the married men of the district in a game of hard ball. Both teams were short-handed and runs came thick and fast, the final score being 18-13 in favor of the single men.

DAIRY CALF CLUB MEETING AT H. ROBERTS' FARM

The Didsbury Dairy Calf Club held a meeting at the Hugh Roberts home on Saturday evening, June 28th. Judging began as usual, with the different classes being judged and Mr. Hugh McPhail giving the correct placings.

After the judging the members gathered in the house for the business part of the meeting. Adrienne Scheidt gave a very interesting talk on "Value of Dairy Records," and this was followed by a delicious lunch served by Mrs. Roberts and the girls.

The next meeting will be held at the home of Cliff Gibbs on Wednesday, July 30th.

The club members wish to thank Mr. and Mrs. Roberts for the lovely time at their home.

DIDSBURY IS "BLOOD DONOR COMMUNITY"

Didsbury and district can probably lay claim to the title of "Blood Donor Community of Alberta" if recent reports of enrolment week are an indication of the number of blood donors who will contribute a small portion of their blood next fall when the Red Cross Blood Donor clinic visits our town.

A report on enrolment week, issued by the Alberta Red Cross branch, shows that approximately 12,000 Alberta residents have pledged to contribute to the Red Cross blood bank in order to assist in the campaign to put fresh blood in every hospital in Alberta. Of this number approximately 240 Didsbury district citizens were included, which figures out at two per cent of the total provincial enrolment.

Two per cent of the Alberta Red Cross Blood Donor Enrolment total is a large percentage for a community the size of Didsbury and those who have voluntarily offered to donate blood when the clinic visits our town next fall are to be commended for their generous offer of assistance to suffering humanity.

No doubt we join with the Alberta Branch of the Red Cross Society when we say "Well done, Didsbury and district."

ENTER EXHIBITS IN DIDSBURY FAIR

Entries in all classes of the Forty-Second Annual Exhibition of the Didsbury Agricultural Society close on Saturday July 12, and to those who have not completed their entry forms, we urge to do so immediately, if the Fair is to be a success again this year.

The principal aim of the Fair is not to make money, but to show to the entire community and visitors just what the residents of this district are capable of producing, and to encourage others to improve their products in an endeavor to have the district produce to its capacity.

Didsbury has not only been noted for its excellent herds of cattle, but also for its fine horses, excellent stands of grain and hay crops. But that is not all, as past years have proven at the Didsbury Fair. The fancy work and home cooking classes, as well as the exhibits of flowers, have proven that the ladies of this district do not need to take a back seat when it comes to the fine arts. This year should be no exception, and in urging every farmer in the district to enter as many exhibits as possible in cattle, horses, swine, sheep, etc., we also urge the ladies of town and district to go over the prize list and enter exhibits in as many classes as possible. The quality of exhibits is necessary, but the Didsbury Exhibition cannot be a success unless it also has quantity. We all want the Fair to be a success, so let us all now decide to enter exhibits in every class we can.

CUT MEAT RATION AGAIN IN BRITAIN

Britain is again to reduce its domestic meat ration it was announced from London last week.

Instead of the 27c worth of meat to which each Briton has been en-

titled weekly for the past six and a half months, the meat ration will be only about 23c worth, starting July 13.

The reduction will be in processed meat, a small portion of which is included in each ration.

LETTER TO THE EDITOR

Dear Editor,

I noticed by the last "Pioneer" that it has finally been decided to build a covered skating rink in Didsbury with the money that was donated by country farmers, and supposedly for a swimming pool. What benefit can a country child derive from a skating rink? We cannot get in because of blocked roads and during the winter months all are at school, whereas in the summer they could all go in during the holidays and also run in the evenings for a swim. Personally I am glad that my donation was promised and, along with many others, still will be a promise until a swimming pool is built. It will be something we can all enjoy.

Next time a project similar to this comes up, please, town people, remember the country folk, and when asking for donations please specify as to what the donation is for.

H.D.

WEDDINGS

EVANS-MORTON

Mrs. Marion Morton and Dr. W. C. Evans were married Tuesday, June 25 at a quiet ceremony at Central United Church, Calgary, with Rev. R.E. Pow officiating.

The bride wore a gray wool frock with a white hat and black accessories. Her corsage was of pink roses.

Mrs. David Jenkins, daughter of the bride, and Mr. George Evans, son of the bride groom, were attendants.

Following a dinner at the Empress hotel, Dr. and Mrs. Evans motored to Banff and will reside in Didsbury.

MELVIN NEWS NOTES

Walton Youngs of Saskatoon spent the holiday week end at his home here.

Miss Jean Durant spent the holiday week end at the Emil Krebs' home.

Friends of Mrs. J. Kershaw are sorry to learn of her recent illness and wish her a speedy return to health. On Monday afternoon several ladies of the Melvin Red Cross called on Mrs. Kershaw, taking her a bouquet from their group.

Mr. and Mrs. Heath Leppard and family of Edmonton have been visiting the past week at the Youngs' homes.

Mrs. Maude Wilkins spent a couple of weeks at her father's home, returning to town last week.

Mrs. Ada Vetter is now visiting at the Johnston home.

A large party of folks left by truck on July 2nd, to take in the Three Hills Stampede. We hope you enjoyed the big day.

Mr. and Mrs. Dupont spent a couple of days at Cluny the end of June and took in the big annual picnic there.

In the ball tournament at Cremona on July 1st, Melvin were successful in winning second money. They won the first game against Carstairs but lost to Cremona in a very close game that evening.

On July 2nd on the home diamond Melvin won from Crossfield by a 9-1 score. Again on Sunday afternoon they won from Cremona 10-4.

We are sorry that many people were disappointed on June 22 at not finding a game at Melvin which it had been so announced. There had been a mistake made in the schedules by the officials, and only the day before the game were we notified that the game would be played at Carstairs instead.

Olds is scheduled to play here this Wednesday, July 9, while Melvin goes to Olds on Saturday, the 13th.

Quite a number from this district attended the Frank Moon wedding dance at Lone Pine and reported a very good time.

SAFE BATHING

Holiday swimming and bathing can be made safer, and therefore more enjoyable, if common-sense rules are followed. For instance, authorities suggest that people should not bathe in too-enclosed spots, where if an accident occurred, there would be no one on hand to render aid. The medical people also say we should not bathe when over-tired, and, of course, not for at least an hour after a meal.

Men can only learn as fast as their humility will let them.

ENGAGEMENT ANNOUNCED

Mr. and Mrs. C.R. Westfall announce the engagement of their daughter, Pauline Christal, to Mr. Raymond Mervin Cutler, only son of Mr. and Mrs. G.B. Cutler of Calgary. The marriage will take place on July 19, at 7 p.m., at the First Church of the Nazarene, Calgary.

CARD OF THANKS

We wish to take this opportunity of thanking all our friends in town for their many kindnesses and the gifts they sent to our son, Jimmy, during his stay in hospital. We are especially grateful to Miss Mary Marston of Springdale, and are glad to report that Jimmy is coming along nicely.

Mr. and Mrs. Jim Nelson and family.

LOCAL NEWS NOTES

Ronald Gordon dropped in from Lethbridge for a few days in town by telephone with Lou and Mrs. Boles. Ronald is stationed at Lethbridge in a Government road camp.

Mrs. Harry Cudney of Calgary spent a few days last week visiting in Didsbury with her sister-in-law, Mrs. Lou Bales.

Mrs. Lawrence Dickau's brother, Tom Edwards of Carstairs, is quite ill at his home with yellow jaundice.

Mrs. Charles Dickau, with her sister-in-law of Bentley, left two weeks ago for California where Mrs. Dickau will visit with her brother. She will also visit with another brother at Portland before returning home. A letter from Mrs. Dickau says she arrived safely in California and that she can pick oranges off the trees through her bed room window. The oranges are sweet, tree-ripened fruit and real juicy.

REST YOUR EYES

Rest your eyes at frequent intervals when doing close work. Look at a blank wall, or some distant object. Use your eyes sparingly during illness or convalescence when they are particularly susceptible to fatigue, and always read with adequate, steady light, properly located. Avoid reading in bed for extended periods, or in moving vehicles.

These tips of sight saving come from National Health authorities at Ottawa.

**A.F.A. RECOMMENDS
HARVEST WAGE SCALE**

The going wage for harvest help is always a question mark to the farmer and laborer alike. For the past two years the Alberta Federation of Agriculture has taken the lead in trying to establish a satisfactory wage scale.

At a recent Board of Directors

meeting it was agreed that \$5.50 for stocking and \$6.50 for threshing, based on a ten-hour day, plus board, would be a very fair basis. The Board realizes that this can only be a recommendation. However, this is a fair wage when board and lodging are included and if all farmers will adopt this basis, harvest wages can be kept on a uniform scale.

WHEAT \$1.80 PER BUSHEL IN

"THE GOOD OLD DAYS"

Those who are inclined to believe that prices of products in "the good old days" were very much cheaper than now will be surprised to learn that the recorded unit value of wheat exports in 1867-68 was \$1.80 per bushel. The price of most other articles, however, supports the contention that the dollar had much greater purchasing power then than now. Beef, bacon and hams at 9 cents a pound, pork at 8 cents, maple sugar at 10 cents, and eggs at 10 cents a dozen, are but a few prices that make the present-day housewife envy the women of Confederation.

FALLEN TIMBER NOTES

Heavy showers of rain have fallen in the Fallen Timber district this week, and the Burma Road is practically impassable.

Miss Olive Cooper attended a dance at the Bergen hall on Friday and spent a few days at the home of Mr. and Mrs. Admussen of Bergen.

Miss Jacquie McGaffin spent Sunday night at the home of Mr. and Mrs. Joe McGaffin.

The Fallen Timber picnic, which was to have been held last Friday, was postponed until Monday. The picnic was a great success with about 100 present. Games and athletic events were held during the day. An abundance of free ice cream, watermelon, candy, gum and oranges delighted those present and supper was served after the ball game.

The ladies' bazaar, held in conjunction with the picnic, was a great success and approximately \$41.00 was raised, and \$17.00 of this sum is to be donated to the Cancer fund.

Mr. Les Poirier had the misfortune to sprain his ankle. He is now recuperating at Carstairs.

Jimmy Cooper broke a finger while playing ball at the picnic. Alex Moore took a red out of his jeep and came home with John Cooper.

Mr. Henry Moncey is attending the camp meeting. Anita and June Moncey spent last week at the Russell's of Elkton.

Miss Ruth Hayes has accepted a position at the Club cafe in Didsbury.

Miss Dorothy Moore spent Monday at home.

Mrs. Ray Teynor and Mr. and Mrs. J. McGaffin and family spent Sunday visiting relatives at Carstairs.

Mr. John Cooper and Glen were Calgary visitors on Tuesday and Wednesday.

Mr. and Mrs. McMullen attended the christening of their grandson, William Arthur McMullen, son of Mr. and Mrs. Albert McMullen of Sylvan Lake.

In commemoration of the men from the Fallen Timber district who served in the armed services, a Roll of Honor was placed in the school on Monday.

**NEW REGULATIONS COVERING
COYOTE BOUNTY ANNOUNCED**

In an effort to conquer the increasing pestilence of coyotes in Alberta, new regulations covering the payment of bounties have been announced by the Hon. N.E. Tanner, Minister of Lands and Mines.

Between May 1st, 1947, and September 30, 1947, \$5.00 will be the bounty paid and between October 1st and March 31st, 1948, \$3.00 will be paid, these rates applying to males and females, adults or pups. The bounty is to be paid only on coyotes taken in the province. Applications must be made on the proper form and the pelt must be presented to one of:

1. Constable of the R.C.M.P.
2. Justice of the Peace.
3. Commissioner for Oaths.
4. A Game Officer or a Forestry Officer.

The official will split both ears of the animal down the middle from the tip to the base and will return the pelt to the applicant for disposal as required. The applicant will be required to produce evidence as to time and place that each coyote was taken when making claim. No person holding a license to buy or sell fur shall be eligible to make application for the bounty.

**A.M.A. WILL SURVEY
SERVICE EXTENSION**

Extension of services will be one of the needs to be given immediate attention by a special committee of the Alberta Motor Association. This was decided at a recent meeting of the provincial directors at Calgary. While the A.M.A. now provides a variety of services including emergency road service up to certain limits, legal and other services, there are various suggestions for extending present ones and adopting new ones that require study and consideration. The special committee is to report on proposed widening of services for the 25,000 members of the association.

Interested in the promoting of tourist traffic and providing of services, the Calgary branch of the A.M.A. is operating a tourist office at Banff again this year. A similar office to open in Jasper Park is under consideration by the Edmonton branch.

Visitors from the U.S. have found such motor club offices of inestimable value to them while seeking data in connection with their motor holidays.

WHEAT POOL PATRONAGE

The Alberta Wheat Pool intends to carry on for the crop year 1947-48 on a co-operative basis paying a patronage dividend in keeping with the principles under which the Pool was formed. The following notice is published to comply with the provisions of the Income War Tax Act.

"As required by the Income War Tax Act, this will advise our members, as referred to in the said Act as amended, that, in accordance with the terms and conditions and within the times and limitations contained in the said Act as amended it is our intention to pay a dividend in proportion to the 1947-48 patronage out of the revenues of the 1948 taxation year or out of such other funds as may be permitted by the said Act, and we hereby hold out the prospects of the payment of a patronage dividend to you accordingly."

1947 Eastern Arctic Patrol On RMS Supply Ship Nascopie

Hon. J. Allison Glen, Minister of Mines and Resources, has announced completion of arrangements for the 1947 Eastern Arctic Patrol of settlements, medical centres, R.C.M.P. detachments, trading posts, and mission stations in the Canadian north which sailed from Montreal on Saturday, July 5, on the R.M.S. Nascopie, supply ship of the Hudson's Bay Company. The Nascopie has carried the Patrol each year since 1933. James G. Wright, superintendent of the Eastern Arctic, Bureau of Northwest Territories and Yukon Affairs, Department of Mines and Resources, will be officer in charge of the expedition. He will be assisted by Alex Stevenson, who will devote special attention to matters connected with the payment of family allowances to Eskimos.

As in former years, the Nascopie will carry a heavy cargo of freight and supplies to northern outposts and a full passenger list. The supply ship is scheduled to reach Churchill, Manitoba, on Hudson Bay, by August 11. From Churchill the Nascopie will retrace her route across Hudson Bay and through Hudson Strait. Sailing north along the eastern coast of Baffin Island, the ship will call at River Clyde, and then proceed directly to Fort Ross on Bellot Strait at the southern tip of Somerset Island. The Nascopie is expected to reach Fort Ross on September 7, and Dundas Harbor, Devon Island, the farthest north point, on September 12. The return to Montreal is expected about October 6. The distance to be covered on the round trip is estimated at 11,000 geographical miles.

The Eastern Arctic Patrol was inaugurated in 1922 by the former Department of the Interior, and has since sailed north each summer carrying representatives of the various Dominion Government departments having responsibilities in the Arctic regions. The Department of

Mines and Resources, through the Northwest Territories Council and the Bureau of Northwest Territories and Yukon Affairs, is responsible for the government and administration of the vast but thinly populated region lying north of the provinces, as well as for the care and welfare of some 2,000 Eskimos who reside in Northern Quebec along the southern coast of Hudson Strait and the eastern coast of Hudson Bay.

The Eastern Arctic Patrol visits those Arctic regions of Canada which are accessible by way of the Atlantic ocean and Hudson and Davis Straits. The Patrol has always carried medical officers to minister to the needs of both Eskimo and white residents at all ports of call. The Royal Canadian Mounted Police send an inspecting officer, and replacements of personnel and supplies for their detachments scattered throughout the far north. The Department of Transport sends similar replacements and supplies to meteorological and radio stations under its control. The Post Office Department is represented by an inspector who visits all post offices, operates a travelling post office on board the supply ship, and delivers and picks up mail at all ports of call.

The Department of National Health and Welfare, which is now responsible for the medical care and hospitalization of Eskimos, will supply all medical facilities on the Patrol. This government department also provides the funds for the payment of family allowances to Eskimo children, although field administration of the payment of such allowance in kind, is handled by the Bureau of Northwest Territories and Yukon Affairs in co-operation with the R.C.M.P.

The medical officer this year will be Dr. H.W. Lewis, Ottawa, medical superintendent for the Eastern Arctic, Department of National Health and Welfare. He will be assisted by Dr. Jas. Cummings, a recent graduate of Toronto University. Edward Bind, optometrist of Toronto will accompany the medical party which will provide complete medical service to Eskimo and white at all ports of call. Dr. R.G. Sinclair of the Department of Biochemistry, Queen's University, Kingston, Ontario, will travel with the medical group as far as South-

amption Island where he will engage in special biological studies for some weeks.

Inspector W.H.G. Nevin, R.C.M.P. of Halifax, will accompany the Patrol and inspect all R.C.M.P. detachments. R.A. Hadden of the Post Office department at Ottawa who served as assistant last year will be in charge of the postal arrangements.

The Radio Branch, Department of Transport, will send relief personnel to Port Harrison, P.Q., Chesterfield and River Clyde, N.W.T. The Meteorological Service, Department of Transport, is sending replacement personnel to their weather stations at Port Harrison, Southampton Island and Arctic Bay.

Dr. J.Y. Fortier of the Geological Survey, Mines and Geology Branch, Department of Mines and Resources, will fly in to Pond Inlet to study coal-bearing formations on Eclipse Sound. He will return via R.M.S. Nascopie.

Dr. Andrew Moore, educationist of Winnipeg, will accompany the Patrol to study and report on education in the Eastern Arctic. All personnel travelling on the Nascopie this year will be given a complete medical examination in an effort to forestall the spread of disease in the Eastern Arctic posts of call.

Read the Want Ads for Profit and pleasure.

THE NEED FOR HOLIDAYS

With holiday time rolling around the medical authorities remind us of the necessity of change, rest and recreation at least once a year.

Few people these days need forego an annual holiday, and the doctors urge those who would pass up such a rest to consider seriously the effect this may have on their health. Both mind and body need this let-down, they say, if they are to continue to give the service expected of them.

OUSTING ANTS

Most annoying summers pests are ants, which frequently invade cooking places and pantries, feeding on all sorts of food, particularly sweet and fatty substances.

Public health authorities suggest that ants may be discouraged by keeping shelves, tables and floors free of crumbs, by storing food in airtight containers and by plugging holes in floors and walls through which they may enter the premises.

"WATCH ME
WIN THAT RIBBON!"

SANDY SIMPSON has been patiently improving his dairy herd. He saw his chance to buy a pure bred bull — and the manager of his bank lent him the ready cash to close the deal. Now he's expecting great things of his new calf; already he sees her winning her class at next year's Fall Fair. A few more like her and he can also see his milk production rising — as well as a nice extra income from selling his surplus stock to neighbouring farmers.

Branch banks, in rural communities across Canada, help to build prosperous farms . . . and at the same time help increase the flow of food to family tables both at home and in distant lands.

**BRITISH BABIES HEALTHIER
NOW THAN IN PRE-WAR YEARS**

The health of Britain's children is better today than in 1939 despite eight years of wartime conditions and shortages. This encouraging fact is revealed in the Ministry of Health's report for the year ended March 31st, 1946, issued recently. Child mortality from disease at every year of life between the ages of one and fourteen reached new low levels—far less than in 1939

which had already shown decreases then considered remarkable. Last year was noteworthy, too, for the fact that the maternal mortality rate was the smallest ever recorded. It has been almost halved during the last nine years. Fewer than two mothers in every thousand died in childbirth and only 46 of their babies failed to survive their first year.

It cost two billion dollars to complete the atomic bomb.

-: DISTRICT NEWS:-**BURNSIDE NEWS NOTES**

Mr. and Mrs. W. McCulloch, accompanied by Mr. and Mrs. 'Happy' Wall, visited with their sons and daughters in the district Tuesday. Mr. McCulloch is looking good, and while visiting friends complimented them on the appearance of their crops, gardens and lawns.

Mrs. Mardon and Chas. Jr. were Sunday dinner guests at the home of Mr. and Mrs. Sandy Brander.

Mr. and Mrs. Robert Eckel left on Dominion Day for a holiday at the Pacific coast.

All cars headed south from the district on Monday. Destination—Calgary Stampede.

We hear that the picnic held at the Neapolis cheese factory last week was well attended and everybody had a swell time.

Bill Jenkins visited relatives in the district last week prior to going to Leduc, where he will be employed in the oil fields. Idris Jenkins of Claresholm was also a visitor in the district for a short time.

We were all pleasantly surprised to have a visit from Mr. Fred Bolton, a real old timer of the Burnside district now residing in Ontario. He called on Mrs. Mardon, his former neighbor, and other old friends in the district. Fred thinks that all his friends are looking real well, and that the western climate is kinder to inhabitants than that of the east.

A grand old time picnic was held at the Lone Pine hall and thoroughly enjoyed by all those present. Sports and ball games were the order of the day. An interesting ball game between the married men and single men ended in a win for bachelors. The dance at night was attended by a good crowd and the music was supplied by Halliday's orchestra.

Mr. and Mrs. Clare Herron are holidaying at points in B.C. and the U.S.

Little Doreen Pratt is visiting at the home of her aunt, Mrs. Jack Underhay.

Mr. and Mrs. Hovis were dinner guests at the Walter McCulloch home on Friday last.

Mr. and Mrs. A. Jensen of Forest Lawn spent the week end in the Lone Pine district.

Miss Lucille Long, who is employed at the J.C. McCulloch home, was called to her home in Irricana owing to the sudden death of her father last week.

Mr. and Mrs. David Pratt returned Sunday from a holiday spent in various parts of the three Prairie Provinces.

Mrs. E. Hunter of Calgary is visiting with her sons in the district.

Mrs. D.B. Wood had as her guest last week her little grand daughter, Sharon Hunsperger.

Jessie McCulloch visited with Clare Hovis last week.

ZELLA NEWS NOTES

The home of Mrs. Emma Jahnke has been a place of reunion for several members of the family this past week. Those arriving were Mr. and Mrs. J.D. Waddingham of Klemme, Iowa, Mrs. D. Boyce and Beverley of Trail, B.C. and Mr. and Mrs. LeFeuer of Portland, Oregon. Mrs. Hansen of Paynesville, Minnesota arrived previously. This makes four sisters and one brother re-united after a number of years of separation, while Mrs. Waddingham is a sister of the late Mr. Jahnke.

The school picnic was held at the school on July 1st with a record crowd of 125 people present. Races and softball supplied the entertainment, while five gallons of ice cream, lemonade, chocolate bars and a grand picnic lunch, supplied by the ladies, served the refreshment side. Many thanks to all those who made this picnic such a success.

Mrs. J.B. Worthington left last Wednesday for a month's visit with Mr. and Mrs. Max Worthington at Vancouver. She was accompanied by Mrs. P. Worthington, who has been a visitor here for the past month.

Mrs. Brock Brower is a visitor at the home of Mr. and Mrs. E. Brower.

LIME IN KETTLES

Lime deposits in any cooking utensils can be removed by boiling strong vinegar water in it, or water to which cream of tartar has been added—one teaspoon per quart of water.

NOTES FROM THE EAST

Among those attending the Calgary Stampede were Mr. and Mrs. Bruce Shells, Mr. and Mrs. Walter McCulloch and family, Mr. and Mrs. Jim McCulloch, Mr. and Mrs. H. Pross and Mr. and Mrs. W. Coates and Jack Sansbury.

Mr. and Mrs. Schumaker and family, and Bobby Elliott took in the Calgary Stampede program on Tuesday.

Mr. and Mrs. Art Grange visited in the Jutland district Tuesday.

Mr. and Mrs. Billy Coates entertained 35 guests from Olds, Vulcan and Didsbury at dinner on Sunday.

Mr. Blair Poles was a business visitor in Calgary on Monday, and also took in the first day of the Stampede.

Jack Sansbury of Montreal, who has been visiting at the Coates home, took in his first Calgary Stampede on Monday.

Hail which struck this district in a hit and miss fashion about seven o'clock Monday evening caused about 20 per cent damage to the crops. It hit Sam Elliott, E. Topley, A. Thompson and A. Milne were among those reporting hail damage. The farmers who did not receive any hail reported a good soaking rain lasting half an hour.

WESTCOTT NEWS NOTES

Word has been received here that Mr. Peter Stakenus Sr. is very ill in the General hospital, Calgary. Mr. Stakenus is well known in this district.

Mrs. Linden Jacobson sprained her knee quite badly last week. We hope it will soon be better. Violet.

School closed on Friday for the holidays, and to many it was a successful year as the pupils eagerly scanned their report cards for the results. To all those who made it we say congratulations, and to the unfortunate, better luck next year.

We'll all be anxious to know how the Grade IX pupils made out. Mrs. Konechuh having taught three this last year.

A hail storm, accompanied by heavy rain, hit this district last Thursday afternoon and did considerable damage west and south-west of Westcott store. The storm didn't cover a large area but the mighty roar of the hail could be heard for miles. Where it did strike leaves were stripped off trees and gardens and crops were pounded into the ground. At this time it is not known how great the damage will be to the crops. As crops are late anyway, much depends on the season ahead. However, if this storm is a prelude of what is in store for us, we'd just as soon not have it at all.

LOCAL NEWS

E. Landeen of Calgary has been visiting his son, Douglas Landeen of the Melvin district, for the past week.

Mr. and Mrs. Howard Halliday and Pat commenced their holidays Monday and took in the Stampede. They plan on motoring through the Crow's Nest Pass to the coast.

Mr. and Mrs. J.A. Russell were Calgary visitors on Thursday.

—Nubene Foundation Garments for style, comfort, health. Will have sizes ranging from 34 to 52 bust on hand first week of August, but will take orders anytime. Mrs. Dickau, phone 59, Didsbury. 27-3p

Mr. and Mrs. Orville Gilmore and their son-in-law, Alfred Alcock of Cassils, Alberta, were Didsbury visitors last Wednesday.

Mr. and Mrs. J. Calle and daughter of Red Deer returned to their home on Thursday, after spending the holiday with Mr. and Mrs. W. Spence.

Mr. and Mrs. Fred Titokoy of Compeer, who have been visiting with Mr. and Mrs. Ian Smith, returned to their home on Thursday.

Mrs. Mardon was a supper guest with Mr. and Mrs. "Happy" Wall on Saturday.

Mr. and Mrs. W.A. Doherty and son, Kenny, of Calgary, visited with Mr. and Mrs. Bert Prevost last week.

Miss Fay Prevost has received word that she passed her Royal School of Music examination for Grade V.

George Heffernan returned to Calgary last Saturday, after spending a two weeks' vacation with his aunt, Mrs. Russell. Fulkerth. George is employed at the 4X bakery in Calgary.

Geraldine Fulkerth, a pupil of Mrs. Ballas of Olds, was successful in passing her Toronto Conservatory of Music exam for Grade III with honors.

Mrs. Bertha Brechwald returned last week from a six months' visit to Los Angeles, California.

Mr. and Mrs. R. Duquette took in the first day of the Calgary Stampede.

—Campbell rubber-tired wagon at Cassidy's. Slightly used. Regular retail price \$375, reduced to \$248 to sell quickly. Also a Tractor Shade or Canopy. Regular \$29.50, reduced to \$19.50.

Mrs. Ernie Scott and Miss Marion Craig of Olds spent Thursday with Mrs. Bertha Brechwald.

Mr. and Mrs. John Folkman, accompanied by Mr. and Mrs. Harry McCullough, motored to Banff for the Dominion Day holiday.

Bill McFarquhar has been on the sick list this past week and with Dale Kimmel away on holidays the boys in the store and machine business have been short handed.

Miss Joyce Morgan spent last week at Lethbridge and took in the horse show. She says it was certainly a proud moment when Walter Fulkerth took the red ribbons.

—Oliver Superior Drills now on hand. Now is the time to plan ahead. Call in and see us. —Payne-Freeman Co., phone 14.

Mr. and Mrs. Geo. Low and family left last Friday to spend a week visiting with relatives in Edmonton.

Mr. and Mrs. Arnold Sherriek were Calgary Stampede visitors on Tuesday.

Mr. and Mrs. Ed Watkin and Valia left Monday on holiday.

Mr. and Mrs. Ken Cassidy and family were in Calgary Monday, taking in the Stampede.

The Didsbury Carstairs band was in attendance at the Stampede parade Monday.

New potatoes have been enjoyed in Didsbury and on July 4th both Reg. Brooker and Mrs. Geo. Parsons Sr. report having their first home grown spuds.

And Meet Your Friends

Mrs. Ruth Eckel spent Saturday in Calgary.

St. Armstrong, who has been relieving at the Royal Bank, left Monday for Blackie where he will continue his relieving duties.

Mr. and Mrs. J.V. Berscht were Calgary visitors on Monday.

Mr. and Mrs. D.A. Lamont of Vancouver visited last Wednesday in town with his brother, Mr. Dunc Lamont, and Mrs. Lamont and family. They had just returned from a visit to Eastern Canada and are returning via Jasper to their home in Vancouver.

Congratulations to Mr. Theo. Riest, who celebrated his 79th birthday on Thursday, July 3.

Glen Klein, Wm. Skerry, Russ Carleton and Ed Carleton proved that Didsbury still has a few fleet-footed citizens when they won the half-mile relay race at the Olds Lions Club sports on Dominion Day.

Mrs. Wm. Lyons spent several days in Calgary recently, visiting with Mr. and Mrs. Joe Clarke.

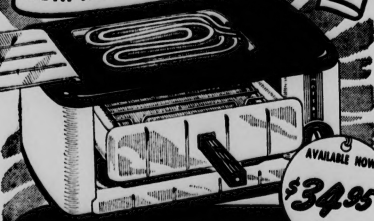

Mr. and Mrs. "Scotty" McDonald, Gena, Greta and Billy, accompanied by Sheila Smith, Elmer and Thelma Gilmore, and Leonard and Robert Turnbull, of Hartmann, spent Sunday, July 6th, with Mr. and Mrs. Geo. Jones, and left from there to take in the Stampede in Calgary.

Mr. and Mrs. Bill Ford and family and Mr. and Mrs. Elmer Farish, of Hanover, Ontario, arrived Sunday and have been visiting with Mr. Ford's brother, Ed Ford, and family. Mr. and Mrs. Farris plan on a trip to Vancouver, and Mr. and Mrs. Bill Ford and family will visit with the Ford families in the Didsbury and Carstairs districts.

L. Woodson has taken over the Greyhound Bus agency from Didsbury to Hwy Service Station. The ticket office in future will be located at the B.A. Service Station in town. Taxi service will be available on three schedules daily, 12:19 p.m., 5:45 p.m. and 6:00 p.m. M.S.T. Arrangements may be made with Mr. Woodson to meet other buses on regular taxi fare.

WESTERDALE NOTES

A good crowd attended the Willing Workers picnic held last Wednesday afternoon. A league baseball game was played between Elkton and Westerdale, with the local boys defeating the Elkton team 10-3. Good prizes were given for children's races, and \$62.40 was raised at the stand.

Mrs. Clement of Manville, Alberta, spent a few days visiting relatives during the past week.

Mrs. L. Jones left Friday for Vancouver, B.C., where she will spend a month's vacation visiting her sister, Mrs. J.H. Thompson.

Mrs. Bob Parkes of Connecticut, U.S.A., her two sisters, brother-in-law and niece, visited at the home of Mr. Ben Parkes for a couple of hours last Tuesday afternoon. It has been twenty-five years since Mrs. Parkes was in the district, at which time Mr. Parkes was pastor at the Westerdale church.

In spite of the pouring rain the Westerdale school children held a picnic on Friday, June 27th, with

games and musical entertainment being held in the school.

Mr. John Cowie transferred the household effects of Mr. and Mrs. T. Peters to Edmonton last Monday.

The East Olds baseball team played their first game with the local boys on Sunday afternoon and were defeated by 12 runs to 2.

Mr. and Mrs. R. Devitt of Didsbury took the Bolton family to Water Valley on Sunday.

Allen and Brian Rundle returned last Saturday to their home in Calgary.

The Hartmann baseball team is scheduled to play here Sunday afternoon.

BACON HOG IMPROVES

The Canadian bacon hog has shown marked improvement during recent years, yet repeated tests at the Dominion Experimental Farm, Nappan, N.S., has brought out three important points: (1) Strains show marked variations in maturity; (2) Defective progeny continue to appear in herds; (3) There is a wide spread in feed consumption per unit in gain.

Slowness in maturity, high food consumption per unit of gain, together with defective progeny have too frequently been responsible for losses. One of the major projects at Nappan is to develop, through careful breeding and selection, an improved strain of bacon hog, the objective being early maturity, freedom from defective offspring, and a low feed consumption per unit of gain.
